

LOAN AND BOOKSTORE AUTHORIZATION FORM

I authorize Jefferson Community College to use Title IV funds (including student subsidized, unsubsidized and parent plus loans) to pay for my tuition, fees, books and supplies. I understand that if I withdraw, abandon my classes or otherwise become ineligible for any of my financial aid, this does not negate my responsibility to pay these charges. I will pay Jefferson Community College in full for the amount of liability accrued on my tuition bill. I further understand that if I fail to repay the college, this account will be placed with a collection agency and I will be responsible for all collection costs. This agreement is binding for my entire period of study at Jefferson Community College.

I acknowledge the above and agree to the specifications.
