

# Application: Phlebotomy Technician

Jefferson Community College (JCC) Continuing Education Division in partnership with Condensed Curriculum International (CCI) is offering a pre-certification training at **Jefferson Community College, 1220 Coffeen Street, Watertown, NY.**

**Program Summary:** The 90 hour Phlebotomy Technician Program prepares professionals to collect blood specimens from clients for the purpose of laboratory analysis. Students will become familiar with all aspects related to blood collection and develop comprehensive skills to perform venipunctures completely and safely. Classroom work includes terminology, anatomy and physiology; blood collection procedures; specimen hands-on practice; and clinical training in skills and techniques to perform puncture methods. The program also includes lab exercises, live blood draws, work with a training arm and other exercises intended to prepare students to function as an entry level Phlebotomy Technician.
