

Monday, May 13, 2024

Dear Interested High School & Middle School Teachers;

It is our pleasure to invite your students to participate in the **17<sup>th</sup> JCC High School Spaghetti Bridge Building Competition** to be held **Thursday, November 14<sup>th</sup>** from 9:30am - 1:15pm here at SUNY Jefferson. We look forward to your participation this year!

It is our goal to provide opportunities to increase awareness and encourage high school students to consider entering the field of engineering. This friendly competition of local high school teams will allow your students the opportunity to come to the JCC campus, meet our current engineering students, and challenge themselves. **Trophies and cash prizes are awarded for the top three placing teams: \$100 for First, \$50 for Second, and \$25 for Third.** We have invited high schools from Jefferson, Lewis, St. Lawrence, and Oswego County to participate. We also invite each school to send one middle school team to be mentored and compete in its own category. We will award **\$25** to the top Middle School team.

The registration deadline is **October 24<sup>th</sup>**. All registration will be handled online. Teams are limited to the first 40 that register. To register go to [sunyjefferson.edu/spaghettribridge](http://sunyjefferson.edu/spaghettribridge) check out the website for tips and advice for success. **Please contact Kerry Kennett, JCC Engineering Instructor** [kkennett@sunyjefferson.edu](mailto:kkennett@sunyjefferson.edu).

We feel that this will be a wonderful event with your collaboration. You play a very significant role in encouraging students to participate in new challenges; and we sincerely hope that your school plans to send some teams to join us! We look forward to working with you and seeing you in early November!

Sincerely,

Kerry E. Kennett  
SUNY Jefferson Engineering
