**INTRODUCTION**

**This document constitutes an agreement regarding articulation for the program identified between the State University of New York College at Oswego and Jefferson Community College. The agreement includes the parallel program where full junior status will be afforded Jefferson Community College graduates as well as identifies other program options and appropriate course credit equivalencies.**

**OBJECTIVES**

- \* To attract qualified students to Jefferson Community College and to the State University of New York College at Oswego.**
- \* To encourage academic coordination and other faculty/administrative interactions, including curricular reviews and administrative streamlining.**
- \* To provide for the exchange of information on successes and failures of this transfer program in order that improvements might be made.**
