

TRANSFER ARTICULATION AGREEMENT
between
JEFFERSON COMMUNITY COLLEGE
and
SUNY POTSDAM

The purpose of this agreement is to facilitate the transfer of students from the Human Services A.S. degree at Jefferson Community College (JCC) to the Public Health B.S. degree at SUNY Potsdam. Students transferring with an associate degree will enter Potsdam as juniors and, assuming normal academic progress, have the opportunity to complete the B.S. degree in two additional years of full-time enrollment.

Admission

- JCC students should apply to SUNY Potsdam the semester prior to their intended transfer date. Applying early in that semester is encouraged.
- The application is available online at www.suny.edu/applysuny - SUNY waives the application fee for students transferring with an associate degree from JCC.
- An official transcript is required from every college attended.
- An official high school transcript or copy of the GED/TASC is also required to be on file for federal financial aid purposes.
- SUNY Potsdam guarantees admission to students transferring with the A.S. degree.
- Transfer scholarships are available to transfer students with a 3.0 or higher GPA and are renewable for one year if SUNY Potsdam GPA is 2.5 or higher.
- The parties will encourage all students, regardless of background, to pursue enrollment in the A.S./B.S. or program.

Transfer of Courses

- All college-level non-major courses with a D (1.0) or higher will transfer; all major requirement courses with a C (2.0) or higher will transfer and count toward the major.
- There is no maximum number of transfer credits, but a minimum of 30 credits, including 15 upper-division credits in the major, must be completed with SUNY Potsdam coursework. Students transferring credits in excess of those required by the A.S. degree at JCC may complete more than 120 total credits in pursuit of the B.S. degree.
- JCC students transferring upon completion of the A.S. degree have satisfied SUNY General Education requirements.
- An official evaluation of transfer credit is provided at the time of acceptance.

Transfer Services

- New transfer students are required to attend a new student orientation.
- New transfer students receive individual advising with specially trained advisors.

Authorizations

This agreement commences upon the date of its signing and shall remain in effect until terminated by either college. The major information will be reviewed on a periodic basis and updated as curricular changes are made at both colleges. Both colleges will notify each other when such changes are made.
