

ARTICULATION AGREEMENT

between
Jefferson Community College
and
SUNY Polytechnic Institute

This agreement provides graduates of Jefferson Community College Nursing A.A.S. degree program with transfer paths to the Bachelor of Science (B.S.) degrees in Nursing at the State University of New York Polytechnic Institute (SUNY Poly).

Objectives of the Agreement:

1. To guarantee admission of transfer students from Jefferson Community College who satisfy the criteria described in this agreement.
2. To attract qualified students to Jefferson Community College and SUNY Poly.
3. To provide specific information for transfer students who wish to pursue a baccalaureate degree.
4. To encourage academic coordination between Jefferson Community College and SUNY Poly.

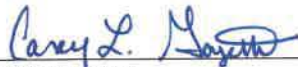

Agreement:

1. SUNY Poly agrees to accept Jefferson Community College graduates from the A.A.S. degree stated above who meet the admissions criteria at their term of transfer for the B.S. degrees indicated at SUNY Poly.
2. Students who follow the approved course equivalencies receive the corresponding transfer credit toward degree requirements at SUNY Polytechnic Institute.
3. Students will maximize transfer credit by following the attached Advisement Plans. Any deviation from the suggested electives outlined in the plans may affect transfer credits and time to B.S. degree completion.
4. Both Jefferson Community College and SUNY Poly agree to encourage qualified students to participate by providing information and assistance to prospective transfer students. Jefferson Community College will list the agreement in its college catalog and website, and make information available to advisors and students.
5. Both colleges may publicize the articulation in the appropriate college publications, bulletins and college websites.
6. The terms of the articulation will remain in effect until amended by mutual agreement; Advisement Plans will be reviewed annually and appropriate curriculum changes made do not affect the terms of this agreement. This agreement is effective upon signature.
