*I understand that my summer student loan will be based on my enrollment **at the time the loan is processed.***

I understand that I must notify the Enrollment Services Office of any changes to my summer schedule.

*I understand that my loan may be **adjusted, canceled or delayed:***

1. *If I withdraw from any classes or I do not attend my classes;*
2. *If any of my classes are canceled or my schedule changes **in any way;***
3. *If I do not complete the prior semester courses with a passing grade;*
4. *If I register for courses not required for my Jefferson Community College degree.*

I understand that changes in my schedule that result in changes to my student loan may cause me to owe money for courses previously covered by my student loan. If I fail to repay the college, this account will be placed with a collection agency and I will be responsible for all collection costs. I also understand that if I withdraw or abandon my classes, this does not negate my responsibility to pay these charges. If I do not want the student loan, or would like the student loan reduced, I understand that I must complete the Student Loan Change form to have it removed or adjusted.

If I am requesting a student loan, I have completed the back side of this form and I understand it.
