Explanation of Fees

- The Student Comprehensive Fee is a mandatory fee that covers student resources, health service, orientation, commencement and I.D. card. It is used to support student government activities. All student clubs, organizations, newspaper and campus events are funded from this fee. Payment of the fee enables an individual to join any of the organizations or attend any of the events sponsored by the student government.
- The Technology fee is a mandatory fee that provides Brightspace, updated computer labs and online library resources
- The Nursing Program and ATI fee are mandatory fees for all nursing students. It covers the additional costs of running the nursing program.
