

FACULTY STUDENT ASSOCIATION
OF JEFFERSON COMMUNITY COLLEGE

To: JCC Students, Faculty,
Staff & Alumni

Jefferson Campus Care is
accepting applications
for the Toddler Room

Toddlerhood (age 18 to 36 months) is a unique time in early childhood where children are becoming more independent, curious, and aware of themselves and those around them. Here at Jefferson Campus Care our toddler program is designed to meet and support these areas of development, and more, through play, exploration of new and exciting materials and through positive interactions with caring adults who have the experience and education to provide a high quality program for your child.

Our program is also designed to support healthy development through providing nutritious meals and snacks and supporting physical development through daily activities such as going outside, dancing, or playing a game.
